

Product Profile

COLOUR

NAIL COLOUR

FREE:
No Formaldehyde,
Toluene or DBP

WHAT IT IS

Professional-quality, 3-free nail creme Colour.

WHAT IT DOES

Provides gorgeous coverage, long-lasting wearability with competitive dry time results.

WHY YOU NEED IT

- Comprehensive range of 50 creme shades.
- 3-free formula does not contain Formaldehyde, Toluene or Dibutyl Phthalate (DBP).
- Warm, neutral and cool shade options for all skin tones displayed on labels for easy reference.

FEATURED INGREDIENTS & BENEFITS

Nitrocellulose:

Film former that creates protective coatings in nail treatments and Colour.

Acetyl Tributyl Citrate:

Plasticizer that increases the flexibility of coating (i.e., nail Colour).

Phthalic Anhydride/Trimellitic Anhydride/Glycols Copolymer:

Provides a protective, flexible coating and promotes adhesion.

PRODUCT FEATURE

- CND Colour is 3-free.
- Regulatory agencies in some areas have begun to restrict or ban the use of Formaldehyde, Toluene and Dibutyl Phthalate in cosmetic products.

DIRECTIONS FOR USE

- Turn bottle upside down and roll between palms of hands to blend.
- Start with one coat of CND base coat of your choice applied to clean, manicured nails.
- Apply two thin coats of CND Colour.
- Apply one thin coat of CND Effects (optional).
- Finish with one coat of CND top coat of your choice.

CND offers comprehensive education opportunities. Check the education section of cnd.com for a course near you.

CREATIVE SUGGESTIONS

- Let your creativity shine through by layering Colours and adding Effects.
- Keep on top of trends with seasonal, fashion-forward Colour collections.
- Visit cnd.com for nail style inspiration and current trends.
